

(Forum userid: **Ian Clark**)

**Ian Clark** is the *Director of Golf* at the New Malden site for the **World of Golf** in Surrey, England. The company owns and operates 3 driving ranges in the United Kingdom, the largest such operation in England. Ian was awarded the Golf Stroke Engineering Bachelor (GSEB) certification from

*The Golfing Machine LLC*

in February 2006 and is currently one of only two Authorized Instructors in England.

Ian's study of *The Golfing Machine* began on one of his trips to the States when he vowed to study the country's best instructors 'up close and personal.' He kept hearing references to *The Golfing Machine*,

and in his efforts to understand Mr. Kelley's masterpiece further, he has visited with such TGM notables as

**Joe Daniels, Chuck Evans, Chuck Cook, Martin Hall**

and

**Lynn Blake.**

Ian recently visited Lynn in Atlanta and spent a couple of fog-lifting days in 'The Swamp.' As part of a select group of British PGA professionals., he also participated in Lynn's intensive **Instructor Training Workshop** in Bremen, Germany.
